

COVID-19 Hotline for UFCW 770 Members

UFCW 770 members have shown such courage and sacrifice during the on-going COVID-19 pandemic, and are vital to providing supplies and food to the community. You continue to risk your lives and the health of your families in the process.

We at the law firm of Gordon, Edelstein, Krepack, Grant, Felton & Goldstein, LLP (GEK) are here for you. To that end, we have set up a hotline number so we can provide advice and guidance about Workers' Compensation pertaining to contracting COVID-19 at work and direct you to appropriate resources, such as paid family leave and unemployment.

We are in this together. Let us help you. Call us at:
