ASK

I need you to follow the stores Covid-19 safety policy. It will keep us both safe.

CONFIRM

This customer is too close to me, going the wrong way, and not wearing a mask. Are you insisting I allow this?

DOCUMENT

My safety is important. I am going to write this down and take photos to show it was unsafe for me to continue.

CALL

I am calling my Union Rep who will file charges. I will also call the health department and police if necessary.
